Value of top 10 corporations	Joint value of bottom 180 countries
2856595000000	2809174980000

Government	Corporation
20,242,374,980,000	18,259,923,000,000

Total value of governments	Total value of Corporations
20,250,595,170,000	18,259,923,000,000

Sources:

The country data came from CIA World Factbook

<https://www.cia.gov/library/publications/the-world-factbook/fields/2056.html>

And the corporation data came from Fortune Global 500

<http://beta.fortune.com/global500>

Both are a measure of annual revenue from 2015
